Site Safety Staffing

SAFETY GROUP

SMART Safety Group provides on-site Safety Professionals for your specific jobsite needs. We take care of compensation, housing, benefits, and taxes. You never have to worry about:

- Additional Overhead
- New Hire Orientation
- Sick & Vacation Time
- Construction Safety Experience
- Implementing Safety Systems
- Knowledge of State & Federal OSHA Regulations
- Knowledge of Army Corp of Engineers EM381-1-1

We understand that safety and productivity work hand-in-hand on a jobsite. We work seamlessly with your team to enhance and integrate safety on your project. We handle tasks from the initial planning stages to the daily task-specific toolbox meetings. Our team is highly experienced in all project-oriented environments including outages, shutdowns, turnarounds, new construction, expansions, additions, Owner Controlled Insurance Programs (OCIP), and large scale industrial and demolition projects.

**Need an on-site
Safety Professional?
We can help.**
